### **BBR Crowns Second NMRA Hot Street Win With New Record**

April 2, 2006 Reynolds, GA – The Booze Brothers Racing team crowned their second NMRA Hot Street win in Reynolds, Georgia by setting a new record of 8.877 at 152.66 mph. The record was set during the qualifying runs and placed the BBR team in the #1 qualifier position. It was backed up with a second run of 8.89, the two fastest passes in NMRA Hot Street history. The BBR Mustang is the first Hot Street competitor to run in the 8.80's.

Charlie Booze, Jr. said, "We tried a new combination which took advantage of the 400 c.i. weight factor, which is what just about everybody else runs. We're pretty happy with the results considering the healthy competition that came out for this race."
